Unless otherwise stated, capitalised terms used herein shall have the same meanings as those defined in the Announcements.

## **RESUMPTION GUIDANCE**

On 22 November 2021, the Company received a letter from the Stock Exchange setting out the following guidance (the “**Resumption Guidance**”) for the resumption of trading in the Shares to:

- (i) restore the minimum public float required under Rule 8.08(1)(a) of the Listing Rules;
- (ii) publish all outstanding financial results required under the Listing Rules and address any audit modifications;
- (iii) demonstrate the Company’s compliance with Rule 13.24 of the Listing Rules; and
- (iv) inform the market of all material information for the Company’s shareholders and other investors to appraise the Company’s position.

The Stock Exchange requests the Company to remedy the issues causing its trading suspension and fully comply with the Listing Rules to the Stock Exchange’s satisfaction before trading in its securities is allowed to resume and, for this purpose, the Company has the primary responsibility to devise its action plan for resumption. The Stock Exchange may modify or supplement the Resumption Guidance if the Company’s situation changes.

Under Rule 6.01A(1) of the Listing Rules, the Stock Exchange may cancel the listing of any securities that have been suspended from trading for a continuous period of 18 months. In the case of the Company, the 18-month period will expire on 3 December 2022. If the Company fails to remedy the issues causing its trading suspension, fulfil the resumption guidance and fully comply with the Listing Rules to the Stock Exchange’s satisfaction and resume trading in the Shares by 3 December 2022, the Listing Division will recommend the Listing Committee to proceed with the cancellation of the Company’s listing. Under Rules 6.01 and 6.10 of the Listing Rules, the Stock Exchange also has the right to impose a shorter specific remedial period, where appropriate.

## **UPDATE ON STATUS ON THE RESTORATION OF PUBLIC FLOAT**

As disclosed in the Closing Announcement, immediately after the close of the Offers and taking into account the valid acceptances of the Offers in respect of 327,057,912 H Shares, the Offeror Group and parties acting in concert with it held, controlled or directed 327,057,912 H Shares and 337,700,000 Domestic Shares, representing approximately 82.85% and 100% of the issued H Shares and Domestic Shares respectively and representing in aggregate approximately 90.76% of the issued Shares. Immediately following the close of the Offers, 67,702,488 H Shares, representing approximately 9.24% of the issued Shares as at the date of the Closing Announcement, were held by the public (within the meaning of the Listing Rules). Accordingly, the minimum public float requirement of 25% of the Shares as set out in Rule 8.08(1)(a) of the Listing Rules was not satisfied. At the request of the Company, trading in the H Shares has been suspended since 4 June 2021 since the percentage of public float fell below 15% following the close of the Offers.

As disclosed in the Waiver Announcement, the Stock Exchange had on 21 June 2021 granted, a temporary waiver from strict compliance with Rule 8.08(1)(a) of the Listing Rules (the “**Waiver**”) for a period from 3 June 2021 to 3 October 2021 (the “**Waiver Period**”), for the Company to restore its minimum public float.

The Company has been informed by the Offeror Group that the Offeror Group and its financial advisers have been approaching and communicating with potential investors from various industries with a view of restoring the Company’s minimum public float as required under Rule 8.08(1)(a) of the Listing Rules as soon as possible. However, in view of the recent volatile and adverse capital market conditions, the investor sentiment was generally gloomy and time required to solicit sufficient demand in the Shares was longer than expected, and therefore the Offeror Group has not received favourable feedback from potential investors. The substantial number of H Shares to be disposed of and/or to be issued for the restoration of the public float of the Company also added to the challenges faced by the Offeror Group. The Offeror Group thus informed the Company that it needs additional time to effect appropriate measures to restore sufficient public float in the Shares.

As at the date of this announcement, 67,702,488 H Shares, representing approximately 9.24% of the issued Shares, are held by the public (within the meaning of the Listing Rules). Accordingly, the minimum public float requirement of 25% as set out in Rule 8.08(1)(a) of the Listing Rules remains unsatisfied.

#### **GRANT OF EXTENSION OF WAIVER FROM STRICT COMPLIANCE WITH RULE 8.08(1)(A) OF THE LISTING RULES**

As the Waiver Period had expired on 3 October 2021 and having considered, among others, (i) the number of H Shares held by the Offeror Group, (ii) additional time and efforts that may be required for steps to be taken to restore the minimum public float of the Company, and (iii) the recent volatile and adverse capital market conditions, the Company had applied to the Stock Exchange for an extension of temporary waiver from strict compliance with Rule 8.08(1)(a) of the Listing Rules for the period commencing from 3 October 2021 to 4 February 2022 (the “**Extended Waiver**”). On 18 November 2021, the Stock Exchange has agreed to grant the Extended Waiver to the Company, subject to the disclosure of the Extended Waiver (including details and reasons) by way of announcement.

#### **CONTINUED SUSPENSION OF TRADING**

At the request of the Company, trading in the H Shares has been suspended with effect from 9:00 a.m. on 4 June 2021 and will remain suspended until further notice.

The Company will publish further announcement(s) to inform the Shareholders of its progress in complying with the Resumption Guidance, any significant developments in respect of the publication of the 2021 Interim Results and 2021 Interim Report and the expected dates for the publication of the 2021 Interim Results and the 2021 Interim Report as and when appropriate, the restoration of the minimum public float requirement, as well as quarterly updates on its development pursuant to Rule 13.24A of the Listing Rules.

**Shareholders and potential investors of the Company should exercise caution when dealing in the Shares.**
